

Easington Community Hall Annual Update from May 2020 to May 2021.

The past year has been challenging for all organisations. The Covid pandemic has completely changed the routine of all our lives.

The Committee Members of Easington Community Hall have followed government advice throughout the pandemic. The Hall has remained closed, apart from Friday mornings, when it has been used as a safe, outside collection point for people to access food from the Fare Share scheme. The main hall was also used as a Covid safe polling station for the elections which took place on May 6th 2021.

Committee Members will be accessing the Recovery and Support Workshops at the end of May to obtain guidance and information about measures which will need to be implemented to ensure that Easington Community Hall can open safely once again.

I'm sure that everyone hopes that gradually life will return to some form of normality in the coming year.
