FRIENDS OF EASINGTON CE PRIMARY ACADEMY

We are fast approaching the end of our first year as Friends of Easington CE Primary Academy and of course the end of the school academic year. At the start of this month we were invited to speak at the Parish Council meeting. This gave us the opportunity to reflect on our years achievements and share with the Councilors the plans for our future. We would like to thank them for this opportunity and their continued support and interest in our charity. Secondly, we have planned for our first AGM; this will take place on Friday 30 June at 12:00 noon. If anyone is interested in being a member of the committee names can be left at the school or via our face book page (Friends of Easington CE Primary Academy).

Between now and the end of the school term Friends of School we be hosting another School Disco and helping with the school's Sports Day.

Friends of School would like to wish all the students moving to the High School the very best for their futures, as well as welcome any new students who will be joining the school in September.

Finally, we would like to thank Margaret Keyworth for the support she has given to Friends of School. Margaret has decided to enjoy retirement after dedicating 22 and a half years to the school in the role of Caretaker. We wish Margaret the best of luck and hope that you continue to support our events, but this time without having to clear up after us.

With Thanks *Friends of Easington CE Primary Academy Committee.*

CHURCH NEWS

In the future we hope to have stronger ties with the Methodist Church, sharing not only services, but also planning and decision making. Major changes are taking place in our local community which are sometimes difficult to accept.

I would draw your attention to some areas where you, as an individual, can have some practical input as a volunteer which would be very much appreciated:

.Skeffling Church. In the summer months we have an obligation to open Skeffling Church for visitors; this is usually during the school holidays and requires someone to take keys and open up from nine am until four pm.

.Skeffling Churchyard. Also in the summer months, the grass in the churchyard has to be cut regularly. This involves strimming and mowing on a weekly basis.

.Easington Church. Open Church is a scheme whereby the church is open for visitors from 1-4pm. on Sunday afternoons during the summer. There are opportunities for people to host visitors with refreshments from 1pm until 4pm.

.Open the Book. This is a scheme where volunteers dramatise bible stories for a series of school assemblies, either weekly or monthly. The Diocese of York is promoting this scheme and hopes to build teams in the local area. Thank you.
