The school has just reopened for the new academic year, so our team are planning events for the students to enjoy. Since the last article, FOS helped the school celebrate their 30th anniversary. We purchased a specially designed anniversary bear for each child and played a role in activities which the children enjoyed during the anniversary week. Follow us on Facebook to keep up to date with our plans. FOS Team - Kathryn, Kerry, Claire and Andy

## CHURCH NEWS

Here is some information with dates for your diary. On 1st October there will be a coffee morning in the community hall followed by a harvest auction in the White Horse pub in the evening. The auction is organised by Joan, courtesy of Sharon the landlady, and Alan Douglas will come up from Norfolk to conduct the auction. The proceeds of these two events are shared between the church and Care after Combat. Care after Combat is an organisation which cares for veterans who have had a tough time and ended up in prison. "Goose" ( Gary Cryer) is a local Christian who visits these veterans. So please turn out your unwanted items for the White Horse, get them to Sharon and Joan and also support the coffee morning, if you can.

These events also support the church. Financially, the church in South Holderness is struggling to pay for four members of the clergy throughout the deanery. ( thirty years ago we had eleven) If you have ever wondered about the usefulness of the existence of C of E clergy in an age of religious apathy, talk to someone who has had a family member commit suicide or had to bury a stillborn baby- as this is where they earn their keep... at the centre of family heart-break in the community.

The evening prayer tea parties are a light hearted attempt to encourage people into church who feel that structured and organised religion is not necessarily for them. They are mainly sociable. There will be one on October 23rd and one on November 6th. They take place at 4 pm in the chancel. On 16th October and 27th November we have a communion service with Rev Alisdair at 9.30am. On 13th November our Remembrance Sunday commemoration begins in church at 10 am and then proceeds to the war memorial for 11am. If you feel strongly about this event, and wish to help contribute by leading a prayer, doing a bible reading or reciting a poem, please get in touch with us.

### **Funding**

#### Open Evening - 13 October 2022 @ 17:00

The committee and trustees would like to invite you to a meeting on Thursday, 13 October 2022 to discuss the future of the Youth Club and DofE.

You will be aware that the Youth Club is run by volunteers who give many hours of their time (unpaid) to run the Youth Club and DofE Centre. We are constantly fund raising to ensure that the facility can continue for the benefit of the young people in the area. This is not just being there on the day an event is being held but going round to local businesses begging for Raffle and Tombola prizes, baking cakes, asking businesses and communities to donate money, selling raffle tickets, followed by the setting up of the event and then the clearing away.

The 'Running Costs' of the Youth Club & DofE are in the region of £8,000 each year, this does not include the additional costs for new and replacement equipment. In view of the current inflation rates our costs are set to increase again. Please make some time to come along have a cup of tea/coffee, a slice of cake and listen to what we have to say.

The Youth Club accounts will be available for inspection on the day - you can see the actual cost and realise the future of the youth club and play park is uncertain. You may have some ideas on how we can raise more money, innovative ideas are always welcome, remember this is for your child's benefit

Please come along even if you do not have children at youth club

### **Days out**

The Youth Club are again hoping to arrange a Trip at Halloween, further information regarding this can be obtained through contacting Stephen Bailey at the Youth Club. We need a minimum number to arrange the trip.
