CHURCH NEWS

Please continue to support FareShare. FareShare is not a food bank. It is designed to prevent waste and anyone can use it. We pay for the food, our customers choose their food and pay for it. Our operating surplus pays some of the bills necessary to keep the church open. We also buy in items which we often sell at cost, and our volunteers go to great lengths to find these items and provide this service. The current provision of reasonably priced pet food is a conscious effort from FareShare to offset the rising costs of keeping pets, so please avail yourselves of this opportunity to keep your costs down. The school will be coming into church for their Christingle on 30th November (Thursday) at four pm. On December 10th there will be a communion service at 9am.

The Apostle's Table is a tea party service for Christmas which will take place on 17th December. There will be a craft activity designed to remember lost loved ones (light bottles) and also a gift craft idea for children and young people.

On Christmas Day there will be a communion service at St Mary's Welwick at 11am (lifts available- please get in touch)

Details of church services can also be found on the South Holderness Deanery Facebook page.

The final meeting for 2023, is on 07/12/2023 in the Community Hall. The Agenda will be on the noticeboard in the village square and on the Parish Council website, 3 clear days before hand, we look forward to seeing residents at the meeting.

We have recently received a resignation, and have a vacancy, if you would like to apply to become a Councillor contact any Parish Councillor or the clerk who will confirm how you can apply.

The Parish Plan document has been created, and the Parish Council will meet shortly for the final update - once completed it will be available electronically from the Website. If you require a 'Hard Copy', please contact the Clerk and this can be arranged.

Please don't forget to subscribe to the Text messaging service - it has been very successful at keeping residents informed of any activity at the Gas Sites, if you are a new resident or would like to sign up to the service the form is available on the website (News Section) for completion

<http://www.easingtonparishcouncil.co.uk/home> or, alternatively contact the Clerk.

The Parish Council has had a successful 2023, and continue to support Community Groups wherever possible, this year we were able to assist the Events Committee with the Coronation Event, with an application for funding, and a small donation.

Finally, would like to thank the Gas Companies - they support many Community Groups and the Parish Council throughout the year, donating funds and time which not everyone may be aware of. They also provide the Calendar which residents receive each year, and the Christmas Tree which will soon be installed ready for the 'Switch On' and the start of the season of festivities.

May we take this opportunity to wish everyone a Merry Christmas and a Happy and prosperous New Year.
