EASINGTON PARISH COUNCIL

D-Day is on 6th June 2024, the Parish Council together with the Church will be holding a Commemorative service on the 80th Anniversary of D-Day, 8.45am, at the Memorial to raise the D-Day Flag of Peace at 9am, the flag will then fly over the village for 1 week, in line with the rest of the nation, further details to follow.

Easington has had a further 'Power Cut', at the time of writing we still have generators in the village providing a supply of electricity. If you feel you need extra support please contact Northern PowerGrid -Priority Services Membership team on 0800 169 2996, or contact via their Website <https://www.northernpowergrid.com/care>.

Alternatively, I have a supply of leaflets which you can complete and return to them via FREEPOST.

The Parish Plan was launched at the Annual Parish Meeting, a copy is available in the Community Hall and on the Website. Following on from the feedback received the Parish Council has arranged for an additional bin to be located on Hull Road, Easington. We will continue to consider suggestions made when planning ahead on projects for the area.

Thank you to all the Community Groups and Residents who attended the Annual Parish Meeting, it was lovely to hear all the reports and the diverse way in which this Community is supported by all the volunteers from the groups.

We have now updated the Emergency Plan, a copy of the finalised document is on the Website, thank you to members of the community who have offered their support, and services should a situation arise, if you feel you may need support in an emergency or can offer your services, please contact the clerk to let us know.

Don't forget to subscribe to the Text messaging service - it has been very successful at keeping residents informed of any activity at the Gas Sites, if you are a new resident or would like to sign up to the service the form is available on the website (News Section) for completion <http://www.easingtonparishcouncil.co.uk/home> , or, alternatively contact the Clerk.

If you have anything particular you want a Councillor to raise on your behalf please contact any of the Councillors who are elected to the Council and there to help you.

On the Anniversary of D-Day, we will be lighting a Beacon at the Youth Club at 9:15pm, at the same time as Beacons around the UK are lit, FREE refreshments including Cake are provided at this event.

At the end of July one of our Committee is to hold an 'open garden' event, and more information on this will follow.

In Autumn we will again arrange an 'Afternoon Tea,' further details to follow.

The Christmas Light Switch on is a popular event and we are keen to make this better with more lights, and more stalls etc. We will be asking what you would like to see done in your community, and if you can be involved in anyway let us know.

The Junior Youth Club has now moved to Wednesday evenings from 4pm to 5.30pm, please support, if they do not get enough young people attending it may close.

Thank you for using the Textile Bin for your donations of clothes and shoes - unfortunately NO to Duvets/ Bedding/

Bric a Brac, but we are seeing an increase in funds raised which all help the Youth Club.

We have a Coffee Morning planned for June, this will be in the Community Hall, and we will also be running a Tombola and some baking and bric 'a' brac.

Our Summer Fayre is planned for 20 July 2024, raffle tickets will soon be on sale, if you are able to sell any on our behalf it is always appreciated. Further details of this event will follow.

Volunteers - we are always looking for volunteers, our committee members try their best, but all have other commitments, and sometimes we need more people to run an event. If you can help us, if this is something you would like to do, please let us know.

We are hoping to undertake a refurbishment of the Youth Club, we are at early stages of discussion on this and have ideas, but we will also need input from the Community and Young People on what they think we should do to modernise the Youth Club, your suggestions would be appreciated. This will all be dependent on us obtaining funding and of course ensuring that the Youth Club continues to thrive.

Keeping watching out for other events and trips which will be posted to the Facebook pages.

MIKRON THEATRE

A play will run for one night only in Patrington Village Hall, Friday 17th May. Below is the link to the theatre company's website and where tickets can be bought.

<https://mikron.org.uk/show/jennie-lee-patrington-village-hall/>

Mikron Theatre are a well known national touring company that we are working with through our Arts Council Funding. Their performances are always extremely professional but because of our funding we can offer the tickets at a subsidised price. We are hoping to do much more with them over the coming years which will hopefully culminate in a production all of our own based on the East Riding and it's mobile library service!
