EASINGTON C OF E PRIMARY ACADEMY

After 7 weeks of hard work back at school everyone was ready for the half term break. The children have returned to school happy to be back. They have enjoyed catching up with their friends after the long break away from school. The majority of learning is pretty much the same however, there have been some changes made to make sure everyone stays safe. We are lucky that we have such a lot of space both inside and outside the school to ensure that people adhere to social distancing. We have had to put our school trips on hold for the time being and the much-loved trip to the pantomime has had to be cancelled this year. However, the Covid rules have not stopped the children from being excited about their learning and continuing to produce fabulous work both in school and at home. KS1 are learning about The Great Fire of London and KS2 are engrossed in their topic about World War 2. Our Early Years children are having lots of fun outside playing on a variety of new bikes and scooters and they are busy exploring the Autumn season and enjoying nature walks. It has been an incredibly good start to the new academic year.

As always the school has received a lot of support from parents and carers and even though their activity has reduced at the moment, the Friends of School are still supporting the school with donations for guided reading books and outdoor equipment for all the children. Thank you.

Kerry Verity. Headmistress

CHRISTMAS SHOE BOXES

A big thank you to all the people who have donated gifts for our shoeboxes. The gifts have been magnificent. 168 boxes have been collected to start their journey for children abroad who have nothing. At the moment they are in Beverley with Jacobs Well. I think they are heading for Moldova, Thank you.

SKEALS NEWS

The Covid emergency has obviously prevented us from holding any full meetings. It has also delayed our AGM which should have taken place in May. As Chair I am stepping down because I am moving to Beverley, and we are very fortunate that Nick Jackson put his name forward when we asked for anyone who would take on the role. Until the AGM this cannot be confirmed by our members, but in the meantime the Management Committee has been meeting regularly with Nick taking on an active role. Amongst other matters we have been working on the calendar for which we do provide the pictures for the gas companies. The theme this year is Trades and Occupations of the Eastend Area, and it is well advanced. *Jan*

EASINGTON VILLAGE TELEPHONE BOX

The refurbishment of the Telephone Box is now complete thanks to the hard work, very hard work, of Mike Welton. Mike has done a magnificent job on the Box and thanks to all the Sponsors' was able to replace the old Perspex glass with safety glass which look wonderful. The paint job is excellent especially the lovely crown on the front and other writing. The sponsors names are now on the windows and repeated inside on a list, a short history of the Telephone Boxes and a very good painting of the box in use by a local artist. It is lovely to see it lit up on these dark winter nights.

Karen and Heather, Easington in Bloom, have put plant troughs either side of the Telephone Box.

Karen says Heather has done the brunt of the work this year due to her other family commitments and wishes to thank her as do we all.

Lots of bulbs are ready for the planters outside of the hall once the Ostoespermums finish flowering. *Di*
