## Easington Parish Council Survey

### Your Views on the Bus Shelter on Dimlington Road

Easington Parish Council is considering applying for a scheme with East Riding of Yorkshire Council to replace the brick construction bus shelter on Dimlington Road (built in 1975) with a modern 2/3 bay metal/glazing partially enclosed shelter with half-end panels. To support our application, we need input from local residents and bus users.

Please take a few minutes to complete this survey to help us understand your views and preferences.

### Section 1: Bus Usage

1. How often do you use the bus service from the shelter on Dimlington Road?
  - Daily
  - Several times a week
  - Once a week
  - Occasionally (less than once a week)
  - Rarely/Never
2. What are your primary reasons for using the bus service? (Tick all that apply)
  - Work
  - School/College
  - Shopping
  - Medical appointments
  - Social/Leisure activities
  - Other (please specify): \_\_\_\_\_
3. At what times of day do you most commonly use the bus?
  - Morning (7AM–12 PM)
  - Afternoon (12 PM–6 PM)

### Section 2: Current Bus Shelter

4. How would you rate the current bus shelter on Dimlington Road in terms of:
  - o **Comfort:**
    - Excellent
    - Good
    - Average
    - Poor
  - o **Protection from weather (rain, wind, cold):**
    - Excellent
    - Good
    - Average
    - Poor

- **Cleanliness:**
    - Excellent
    - Good
    - Average
    - Poor
5. Have you experienced any of the following issues with the current bus shelter? (Tick all that apply)
- Lack of weather protection
  - Uncomfortable seating
  - Poor visibility of incoming buses
  - Structural damage or wear and tear
  - Vandalism/Graffiti
  - Other (please specify): \_\_\_\_\_

### Section 3: Proposed Replacement

6. Do you think the current brick bus shelter should be replaced with a modern metal/glazing shelter with partial enclosure?
- Yes
  - No
  - Undecided
7. If you support replacing the shelter, what features would you find most useful in a new shelter? (Tick all that apply)
- Improved weather protection
  - Comfortable seating
  - Good visibility for incoming buses
  - Accessibility for wheelchairs/pushchairs
  - Modern and low-maintenance design
8. Would replacing the shelter with a modern design make you more likely to use the bus service?
- Yes
  - No
  - Not Applicable

### Section 4: Additional Comments

9. Do you have any other comments, suggestions, or concerns about the bus shelter or bus service?
