

Public Consultation on the proposed Humber Hydrogen Pipeline

Public consultation takes place between **22 April 2025** and **23 May 2025**

The Humber Hydrogen Pipeline is proposed by Humber Hydrogen Transmission System Ltd – a partnership between **Equinor**, **SSE Thermal** and **Centrica Energy Storage+**.

Public consultation events details

We invite you to join our upcoming public consultation on the Humber Hydrogen Pipeline. The consultation will introduce the proposed pipeline route and the project's next steps. Our drop-in events will be an opportunity to meet the project team in person, ask questions and provide your feedback on the project.

Please contact us if you have any access requirements for the venues listed above or if you need copies of the consultation materials in alternative formats, we are happy to help. All consultation materials will be available online from the **22 April 2025**.
